

Interagency Agreements

1302.63 Coordination and collaboration with the local agency responsible for implementing IDEA.

A program must coordinate with the local agency responsible for implementing IDEA to identify children enrolled or who intend to enroll in a program that may be eligible for services under IDEA, including through the process described in §1302.33(a)(3) and through participation in the local agency Child Find efforts.

(b) A program must work to develop interagency agreements with the local agency responsible for implementing IDEA to improve service delivery to children eligible for services under IDEA, including the referral and evaluation process, service coordination, promotion of service provision in the least restrictive appropriate community-based setting and reduction in dual enrollment which causes reduced time in a less restrictive setting, and transition services as children move from services provided under Part C of IDEA to services provided under Part B of IDEA and from preschool to kindergarten.

(c) A program must participate in the development of the IFSP or IEP if requested by the child's parents, and the implementation of the IFSP or IEP. At a minimum, the program must offer:

(1) To provide relevant information from its screenings, assessments, and observations to the team developing a child's IFSP or IEP; and,

(2) To participate in meetings with the local agency responsible for implementing IDEA to develop or review an IEP or IFSP for a child being considered for Head Start enrollment, a currently enrolled child, or a child transitioning from a program.

(d) A program must retain a copy of the IEP or IFSP for any child enrolled in Head Start for the time the child is in the program, consistent with the IDEA requirements in 34 CFR parts 300 and 303.

HS/ECEAP has written interagency agreements with each school district to serve children with disabilities that outlines the responsibilities of HS/ECEAP with the school district. Please see the Education Program Manager who oversees disabilities services if you have any questions about this agreement.
