Site Level Data Analysis

Respond to each of the questions based on site level data. Your responses will help you analyze the data and think critically about what steps need to be taken to improve School Readiness Outcomes for children.

- Based on the data, describe overall strengths:

- What are areas for growth?

- Why do you feel these areas are strengths/areas of need?

- What support do you need to increase outcomes?

- What impact do these outcomes have for children?

- Plan how you will support growth.

What is needed to support your teaching?
